2nd Collection Next Weekend

Next Weekend, the diocese will take up the National Collection for The Catholic University of America. Catholic University is a national research university, in the heart of Washington, DC, with over 5,700 undergraduate and graduate students in more than 250 academic programs. By giving to the collection, you are supporting future Catholic leaders, both religious and lay, who are being formed by an exceptional, faith-rooted education. The university's various research and training initiatives support dioceses and parishes in responding to the most pressing needs of their faithful. A few examples of how the University serves the Church and nation include The Catholic Project, an initiative that aims to heal the breach of trust many have experienced as a result of the crisis in the church; a master's program in Ecclesial Administration and Management; and a credentialing program that prepares recent graduates to serve as campus ministers. Scan the QR code on the provided envelopes or visit: collection.catholic.edu to learn more.

Dear Brothers and Sisters in Christ,

The year 2025 holds a unique significance for the Church as Pope Francis has declared it a Jubilee Year of Hope. This designation offers the Church, and each one of us, an opportunity to look inward and strengthen our relationship with our Lord while also encouraging us to invite others to experience God's love and mercy.

We are so blessed here in the Diocese of Raleigh to enter 2025 as the first of the next 100 years of our diocese. As we celebrated our centennial year, we recalled the missionary spirit of those who came before us and shared their Catholic faith across eastern North Carolina. It is only fitting that we begin anew, as "Pilgrims of Hope," with a renewed fervor to grow our Church.
