2nd Collection Next Weekend – Support the Church in Latin America

The bishops of the United States established the annual Collection for the Church in Latin America as a practical expression of unity and love for their brothers and sisters in Central and South America and the islands of the Caribbean. For more than 60 years, Catholics in the United States have answered the invitation to “share your faith” by supporting pastoral ministries that strengthen the Church in the present day and help it pass on the Gospel to future generations. One of the most important ways that Catholics share our faith with future generations is by supporting the formation and seminary education of men who have answered God’s call to the priesthood or diaconate. In Rio de Janeiro, Brazil, 149 priestly seminarians and 69 permanent deacons at the São José Archdiocesan Seminary received support through the Collection for the Church in Latin America to help cover education tuition and spiritual retreat expenses, as well as the cost of food. Your support for this special collection helps prepare these men for lives of serving others through their preaching and celebration of the sacraments. For more information about how donations help the Church in Latin America, visit www.usccb.org/latin-america.
