The Feast of  
St. Anthony the Abbot

January 17<sup>th</sup>

**-SAINTS FUN FACTS** by John Sheppard

St. Anthony the Abbot was an Egyptian hermit. He was a very spiritual person who believed in LIVING the Jesus life.

When people eventually found him, he moved even further away, eating only bread and water, praying, fasting and wearing skins as clothing.

Wise men from as far away as Greece sought his guidance. Some were healed physically, many were comforted by his words and others stayed to learn from him. He passed away at one hundred and five years old.

"Hope has two beautiful daughters: their names are Anger and Courage. Anger at the way things are, and Courage to see that they do not remain as they are."

Saint Augustine

"Consult not your fears but your hopes and your dreams. Think not about your frustrations, but about your unfulfilled potential. Concern yourself not with what you tried and failed in, but with what it is still possible for you to do."

Pope John XXIII

"This is no time to be ashamed of the Gospel. It is the time to preach it.... Do not be afraid to break out of comfortable and routine modes of living in order to take up the challenge of making Christ known in the modern metropolis."

Pope Saint John Paul II, World Youth Day 1993
