"The rosary is the book of the blind, where souls see and there enact the greatest drama of love the world has ever known; it is the book of the simple, which initiates them into mysteries and knowledge more satisfying than the education of other men; it is the book of the aged, whose eyes close upon the shadow of this world, and open on the substance of the next. The power of the rosary is beyond description." – Blessed Fulton J. Sheen

***VOTE:* A PRIVILEGE, A RIGHT AND AN OBLIGATION**

Catholics have a moral obligation to promote the common good through the exercise of their voting privileges *(CCC 2240).*

While there are many moral issues to consider, there are those on which all others depend:

✓ Issues that adversely affect the dignity of life, including abortion and euthanasia, are fundamental and demand serious consideration
✓ The First Amendment of the Constitution protects religious liberty, however we are witnessing increasing erosion of this protection.

The citizen is obliged in conscience not to follow the directives of civil authorities when they are contrary to the demands of the moral order, to the fundamental rights of persons or the teachings of the Gospel. Refusing obedience to civil authorities, when their demands are contrary to those of an upright conscience, finds its justification in the distinction between serving God and serving the political community.

"A well-formed Christian conscience does not permit one to vote for a political program or an individual law that contradicts the fundamental contents of faith and morals." *- (CPL)*
